# Lloyd F. Moss III, DDS, FICOI

FREDERICKSBURG, VIRGINIA

Drs. Lloyd F. Moss Jr. and Lloyd F. Moss III are proud to provide comprehensive, preventative and aesthetic restorative solutions at their dental practice.

This family owned and operated practice has provided exceptional dental care

to the Fredericksburg, Virginia region for over 40 years. The father-son duo are honored to treat many generations of families within the community and consider their patients, their family.

Dr. Moss Jr. and Dr. Moss III are passionate about interdisciplinary dentistry and committed to continuing education. In this regard, they are active members of the ADA, AGD, AACD, AAID, ICOI, Seattle Study Club, and Spear Education. The treatments at their dental practice include (but are not limited to) full mouth rehabilitations, dental implants, sleep apnea, Invisalign, tooth-colored restorations, extractions, TMJ Therapy and implant supported dentures. The team strives to provide friendly service, a warm atmosphere, and an excellent dental experience for each patient.

Both Doctors also actively volunteer at the Lloyd F. Moss Free Clinic, providing dental care to those in the community

who would otherwise be unable to receive it. In Dr. Moss Jr's free time, he enjoys fly fishing, spending time with his family in the mountains, and photography. In Dr. Moss III's free time, he enjoys golfing, tennis, boating and spending time with his growing family. If you are traveling through the Fredericksburg area, please stop by to say hello!

*Smile with Passion.*
